

Motor Insurance Claim Report

A fictional intake record prepared for workflow testing. This is not a registered claim, coverage confirmation, approval, or settlement decision.

POLICY REFERENCE NOT PROVIDED

Coverage cannot be checked and the claim cannot be registered until a valid policy reference is supplied and verified.

Intake summary

Intake reference	INTAKE-2026-002	Current status	Awaiting policy reference
Claimant	Neha Sample	Contact	+91 90000 10002
Vehicle	Maruti Swift	Registration	DEMO-MH-2202
Incident type	Flood / water ingress	Incident date	21 September 2026
Location	Baner, Pune		

Incident narrative

The vehicle was parked on a waterlogged street during heavy rainfall. Water entered the cabin and the vehicle did not start after the water level receded. The engine was not restarted again.

Reported damage

Wet cabin, electrical warning lights, and possible engine water ingress.

Evidence status

Scene photographs available; towing receipt and inspection report pending.

Required next steps

1	Obtain and verify the policy reference from the claimant.
2	Check that the incident date falls inside the verified policy period.
3	Assess cover, exclusions, deductible, and required evidence before registration.
4	Do not treat intake or evidence collection as claim approval.

Declaration: The information above is unverified and supplied only for a fictional demonstration. No real customer, insurer, payment, booking, or settlement is involved.
